

## Recommended Projects 2019

District	SFY	Project Sponsor	Project Name	Project Description	Awarded Funding
District 1	2023	<b>Auglaize Township</b>	ALL - 117 - 23.98 (PID 109435)	The project will construct ADA compliant sidewalks, culvert extensions, curb & gutters w/ drainage, lighting, improved sight distance, and pavement resurfacing.	<b>\$1,500,000.00</b>
District 1	2023	<b>City of Delphos</b>	South Main Street (SR 66) Improvements, Phase 1	Construct sidewalk on the east side of South Main Street and a shared use path on the west side from Suthoff Street to the mainline railroad tracks. Construct ADA compliant curb ramps and street lighting. Include sidewalks on the Cleveland Avenue and Suthoff Street sections as well.	<b>\$758,000.00</b>
District 1	2023	<b>City of Lima*</b>	Spencerville Road and North Shore Drive Pathway	Construct 5' sidewalk (possibly 6' in some locations) along Shawnee Road, Spencerville Road, Cable Court, and North Shore Drive from Cable Road to Pierce Street.	<b>\$750,000.00</b>
District 1	2023	<b>Village of Bluffton</b>	State Route 103 Multi-Use Pathway	Construct a shared use path along the south side of SR 103/Jefferson Street from County Line Road until Wendy's. It will then cross the street and continue east on the north side of SR103. Along Commerce Lane it will turn north and connect to the Lions Way Trail.	<b>\$840,000.00</b>
District 2	2023	<b>Village of Montpelier</b>	Iron Horse River Trail Project	Construction of a network of paved trails along the St. Joseph River between Montpelier Village Hall/Senior Center and the west side of the Williams County Fairgrounds.	<b>\$850,000.00</b>
District 3	2023	<b>Village of Apple Creek</b>	Apple Creek Sidewalk	This project would construct approximately 1,000 feet of sidewalk giving a community of 100 plus homes pedestrian access to the village. This sidewalk will also drastically improve safety for pedestrians who are currently forced to walk on the shoulder of US-250 in order to access the village's primary commercial area.	<b>\$225,000.00</b>
District 4	2023	<b>Ashtabula County Metroparks</b>	Pymatuning Valley Greenway Trail, Phase 1.1	The Pymatuning Valley Greenway Trail Phase 1.1 is a 3.51-mile multi-use trail in southwestern Ashtabula County, which is the initial phase of a trail that will connect the Western Reserve Greenway Trail to Jamestown, PA and Clarion, PA. The Western Reserve Greenway Trail is also a leg of the Great Ohio Lake-to-River Greenway	<b>\$1,125,000.00</b>
District 5	2022	<b>City of Zanesville</b>	Ridge Avenue Improvements, Phase 1	Replace existing deficient sidewalk and curb along Ridge Ave from West Main Street to Hedgewood Ave, skipping a section from Brighton Blvd to Mead Street which will be done with CDBG Critical Infrastructure grant funding in 2020.	<b>\$450,000.00</b>
District 5	2022	<b>Village of Hebron</b>	US 40 Culvert Replacement (PID 104780)	The project's goal is the realignment of this sidewalk, raising its height to prevent the water restriction and still meet all of the Americans with Disabilities Act (ADA) requirements for pedestrian access.	<b>\$199,000.00</b>

## Recommended Projects 2019

District	SFY	Project Sponsor	Project Name	Project Description	Awarded Funding
District 5	2023	<b>Muskingum Valley Park District</b>	Muskingum Recreational Trail Connector	The Muskingum Recreational Trail Connector will connect existing sections of the Muskingum Recreational Trail resulting in a continuous paved recreational trail from Dresden, Ohio to Ellis Dam. The project includes the construction of two sections of asphalt trail on a railroad right of way owned by the Muskingum Valley Park District.	<b>\$385,000.00</b>
District 5	2023	<b>Village of Fredericktown</b>	Fredericktown Streetscape Project, Phase 1	Phase 1 of the project will be along Main Street, spanning between Mill Street and 2nd Street. The purpose of this streetscape project is to begin a revitalization of the downtown area with a focus on ADA compliance, safety and aesthetics.	<b>\$922,000.00</b>
District 5	2024	<b>Licking Park District</b>	Ohio Canal Greenway Project	The project is to pave an existing path, making it multiple use, ADA accessible, and construct appropriate parking. The project would provide additional transportation opportunities for the surrounding areas, providing access to the Village of Hebron, Hebron State Fish Hatchery, and Buckeye Lake.	<b>\$1,432,500.00</b>
District 6	2023	<b>Fayette County</b>	Western Fayette County Bike Path	Construct a new bike path in western Fayette County over an abandoned railroad bed. The proposed first phase will start at the existing bike path termini at the Fayette County line and end at Allen Road in Octa – approximate length 3.1 miles.	<b>\$1,050,000.00</b>
District 7	2023	<b>City of Urbana**</b>	South High Street Corridor Improvement	This project will address road rehabilitation; including drainage improvements, sidewalks and bike lanes (on road) for both sides of the road and traffic calming features from US36 to SR55. Milling of existing pavement, partial widening and resurfacing.	<b>\$750,000.00</b>
District 10	2022	<b>Athens County Commissioners</b>	Athens County Hockhocking Adeena Bikeway Improvements	Preventative pavement maintenance by using a mastic seal on the Hockhocking Adena path.	<b>\$262,000.00</b>
District 10	2023	<b>City of Athens***</b>	Athens Uptown Area Improvements	The City of Athens Uptown Area project includes improving the safety of the area for bicycles and pedestrians by adding standard amenities, safety items, and completing pavement marking updates and signal improvements.	<b>\$1,005,000.00</b>
District 10	2023	<b>Meigs County Commissioners</b>	Pomeroy Phase IV	Continued extension of the trail from Middleport to the Pomeroy River Walk.	<b>\$787,000.00</b>
District 10	2023	<b>Village of Chesterhill</b>	Chesterhill Streetscape, Phase 1	The purpose of the project is to improve pedestrian access to commercial establishments around the Village and increase parking and traveled roadway areas to reduce accidents and improve safety.	<b>\$650,000.00</b>
District 11	2022	<b>Salt Creek Township</b>	Mt. Hope Sidewalks	Construct sidewalks on SR 241 in Mt. Hope from the intersection of SR 241/CR 77 approximately 1,400' to the west; and south on CR 77's east side for approximately 175'.	<b>\$318,000.00</b>

## Recommended Projects 2019

District	SFY	Project Sponsor	Project Name	Project Description	Awarded Funding
District 11	2023	City of Columbiana	Duquesne Street Sidewalk	Construction of a sidewalk on the north side of Duquesne Street from Fairfield Avenue to Columbiana-Waterford Road approximately 2,400'. Includes small ped bridge over small stream.	<b>\$371,000.00</b>
District 11	2023	City of St Clairsville	National Road Bikeway Rehabilitation Project	Significant rehabilitation of railroad tunnel wingwalls/retaining walls, parking area, access steps, trail resurfacing and timber deck replacement on railroad bridge over SR 9.	<b>\$725,000.00</b>
District 11	2023	Tuscarawas County Commissioners	Ohio & Erie Towpath Trail SR 800 Extension	Construct limestone surface for four miles of trail along the Tuscarawas River from SR 212 to SR 416. Further extends the Ohio & Erie Canal Towpath Trail	<b>\$483,000.00</b>
District 11	2023	Village of Millersburg	Millersburg Southern Sidewalk Project	Construction of approximately 1,100' on the west side of South Washington Street in Millersburg. Includes ADA ramps.	<b>\$307,000.00</b>
* City of Lima awarded \$250,000 from TAP and \$500,000 from an Abbreviated Safety Application				<b>Total 2019 Cycle TAP Awards</b>	<b>\$16,144,500.00</b>
** City of Urbana awarded \$401,837.40 from TAP and \$348,162.60 from an Abbreviated Safety Application				<b>Awarded SFY 2022</b>	\$1,229,000.00
*** City of Athens awarded \$505,000 from TAP and \$500,000 from an Abbreviated Safety Application				<b>Awarded SFY 2023</b>	\$13,483,000.00
				<b>Awarded SFY 2024</b>	\$1,432,500.00
				<b>Total 2019 Cycle TAP Awards</b>	<b>\$16,144,500.00</b>
