

SFY 2020 STATE GENERAL REVENUE FUND & FEDERAL AWARD PROJECT LISTING

PROGRAM PURPOSE: Through the Coronavirus Relief Fund, the CARES Act provides for payments to State, Local, and Tribal governments navigating the impact of the COVID-19 outbreak. Mobility Management Projects are capital projects that increase access to mobility for Ohioans by increasing understanding and awareness of transportation needs, promote coordination of transportation options to meet needs, and build sustainable and healthy communities by integrating transportation into planning and programs.
